Sir:

Applicants request reconsideration of the rejection in the Office Action mailed September 13, 2005 in light of the following remarks.

**REMARKS**

The examination of all species is noted with appreciation.

All claims (4, 5, 10, and 14 to 16) were rejected under the judicially created doctrine of obviousness-type double patenting over claims 1 to 4 of commonly owned Patent No. 6,657,084 B2.
